2017 Scholarship Program
Bay Area Community Foundation proudly presents its 2017 Scholarship Awards

More than 100 individual scholarship funds are housed in the Bay Area Community Foundation. This year, the Foundation will award $277,644 to 230 students. Each scholarship fund is detailed and the 2017 recipients are identified on the pages that follow.

We extend our appreciation to the Scholarship Fund Committees who volunteer their time to review stacks of applications, often having to make difficult decisions between greatly deserving applicants. The care and attention these volunteers give annually to this effort is an inspiration to everyone.

We also wish to thank each of the students who applied for scholarships this year. We know the process is long and the anticipation is great. For those selected to receive awards, we extend our heartiest congratulations. We are delighted to be able to provide some assistance at this critical point in your educational experience. For those not selected, we pledge our commitment to continue to build the Bay Area Community Foundation’s capacity for making scholarships so that more will be available in years to come.

Finally, we congratulate each student, parent, and academic advisor for the dedication required to achieve your present level and offer our very best wishes as you continue to pursue further academic excellence.

WARREN F. AND RUTH P. MANDLEY MEMORIAL EDUCATIONAL FUND
Warren F. Mandle and Ruth P. Mandley spent most of the 60 years of their married life together in Bay City. Mrs. Mandley suffered the loss of her mother at the age of 4 years and felt this loss acutely. Yet, without a role model to guide and encourage her in her early years & young adulthood, Ruth became a loving wife and extraordinary mother. She was devoted to her husband, Warren, who was plagued by multiple health problems in his later years. Ruth loved and cared for her family up to the time of her death from cancer in July 1996. Mr. Mandle was an outstanding father who supported his family of 4 children with hard work, faithfulness and determination his whole life. Warren cherished his Irish heritage, enjoyed hunting and camping, and was owner of Mandle’s City Dairy on 22nd Street in Bay City for many years. He survived his wife by only seven months, having reached the age of 80. He passed away in February 1997. Mr. and Mrs. Mandle enjoyed their life together in Bay City and chose it as the place to raise their family. In memory of their affection and dedication as parents, this fund was established in 1996 by their son, Frank E. Mandle, to assist Bay County students in realizing their full potential through higher education.
