Nonprofit Operations Support Grant Opportunity

Bay Area Community Foundation is offering operational support grants for nonprofits for the semi-annual grant cycle opening July 13, 2020. This grant program was created specifically to address the emerging and evolving operational needs of nonprofits arising from or exacerbated by the COVID-19 pandemic.

**Eligibility:** Nonprofit 501(c)3 organizations located in or serving Bay County, MI who have a history and strong record of serving our community.

**Deadline:** Online applications available beginning July 13, 2020 with a deadline of September 21, 2020. Contact Program Officer Joni King to obtain a password for the application.

**Grant Terms:**
- Organizations must complete the online application. No email requests will be considered.
- Funds must be spent within one year of grant approval.
- A supplied report form on how the funds were expended is required at the end of the grant period.

**Evaluation Considerations:**
- Nonprofit positively contributes to the fabric, social safety net or unique sense of place in Bay County, MI
- Demonstration of long-term commitment to community
- Strong fiscal management and accountability
- Commitment to exploration of other resources and demonstration of creativity in developing a revised operations plan.

For more information or questions about this grant opportunity, contact Joni King at (989)893-4438 or jonik@bayfoundation.org.
