

IMAGINATION STATION REBUILD
COMING SOON!

Pave the Path to Play!

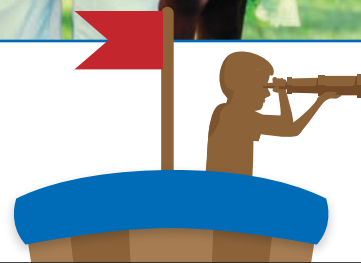

Have you heard the exciting news?

The **Friends of Riverview Discovery Island** is a grass-roots committee working to build an all new, accessible community playground in Bigelow Park on the Middlegrounds, near the Bay City Boys and Girls Club. This project has the support of the **Bay Area Community Foundation** and, we hope, **you!**

We invite you to purchase an engraved brick to cement your legacy in this incredible new playground. Buy a brick to show your family's support, honor a friend or loved one, or send well-wishes to the children today and in the future! Your brick will be included in the walkways to and around the playground and your message will be there for all to see for years to come.

The contribution from the sale of each brick will go directly towards making **Riverview Discovery Island** as special as it can be!

See the form on the reverse for complete details and to create and order your brick.
